FSSI OS3 Overview

- Twenty-four FSSI OS3 IDIQ (Indefinite Delivery Indefinite Quantity) contracts have been awarded
- Same scope as OS2, but since OS3 is an IDIQ, it does not use Schedule Item Numbers (SINs) but instead uses Contract Line Items (CLINs)
- Twenty-three of the twenty-four awards to small businesses
 - Vendors divided into 4 groups servicing the following categories: full catalog, paper, toner/ink, and full catalog with additional features (including in-store and express delivery)
 - Leveraging “dynamic pricing” and a tier discount structure, OS3 offers competitive pricing across the entire OS space
- On-ramping opportunities for small businesses during specified open seasons to maintain competition

OS3 Goals

- Achieve savings (tier discount structure)
- Capture data
- Enable achievement of socio-economic goals
 - Approximately 90% of Government spend is projected to go to SB in OS3
- Drive compliance with mandates, acts, orders
- Conform with Agency business practices
- Be easy to use

OS3 Discounts

- OS3 Cumulative Volume Discount Tiers
 - Price variance reductions are triggered based on Contractor's cumulative OS3 volume
 - Price variance reductions are triggered at \$10M, \$25M, \$50M, \$75M, and \$100M
- OS3 Delivery Order size discounts
 - Consolidate orders and save as discounts are triggered on individual orders starting at \$300 for some vendors
 - Discounts increase at \$1,000, \$3,000, \$5,000, and \$10,000 orders depending on contractor

Ordering Procedure For Orders At Or Below the Micro Purchase Threshold (\$3,000)

- Attempt to distribute orders among multiple OS3 contractors
 - Order minimums are currently \$100, but some vendors may have lower minimums
 - Smaller orders may be placed with some vendors by contacting the vendor directly, but a small fee may be incurred
- As part of the government's sustainable ("green") mandates, place larger orders to reduce the number of deliveries and transactions

What If the Office Supply I want to buy is not on OS3?

- In general, the OS3 program includes a wide range of products, brands, and part numbers although not every brand or part number may be included
- By purchasing office supplies through OS3, customers are able to ensure that they are meeting all relevant mandates and procurement regulations (TAA, EO 13514)
- We recommend purchasing an item that is a “close second” to the office supply you are intending to buy

What if my order doesn't meet the minimum purchasing requirement?

- The minimum purchasing amount is currently \$100, depending on vendors.
- We recommend that you pool together other purchases in your office using the "Park Cart" feature on GSA Advantage
- Develop a strategy to purchase more items less frequently, planning ahead, so that you are making larger purchases.
- Remember, order minimums result in added value: better prices and less shipping waste

Orders Exceeding Micro-Purchase Threshold (\$3,000 to \$150,000)

- Orders exceeding Micro-Purchase threshold must offer fair opportunity: Consider using GSA Reverse Auction. Reference FAR 16.505(b)
 - (b) Orders under multiple-award contracts—
 - (1) Fair opportunity.
 - (i) The contracting officer must provide each awardee a fair opportunity to be considered for each order exceeding \$3,000 issued under multiple delivery-order contracts or multiple task-order contracts, except as provided for in paragraph (b)(2) of this section.
- *See FAR 16.505(b) for further guidance regarding the fair opportunity process, including exception to the fair opportunity process.

Orders exceeding Maximum order threshold over \$150,000

- Must provide fair opportunity to all OS3 vendors
- Encouraged to use GSA's E-Buy system or a reverse auction
- Consult FAR part 16.505(b) for more information

Orders exceeding \$5 million

- Must provide fair opportunity to all OS3 vendors
- Encouraged to use GSA's E-Buy system or a reverse auction
- Consult FAR part 16.505(b) for more information

ReverseAuctionsSM through GSA eBuy

- With ReverseAuctionsSM, OS vendors compete one-on-one for agency business. Through www.reverseauctions.gsa.gov, authorized ordering activity personnel submit a solicitation, then contractors under OS3 can submit bids that compete off of each other's submitted pricing.
- An award can then be made to the lowest bidder if it meets the solicitation's terms and conditions and is technically acceptable. Ordering activity personnel will need a valid GSA eBuy user name and password to use this site.
- Training is available

Tax Exemption

- Purchases on behalf of the Federal Government are exempt from most taxes
- In accordance with FAR 52.212-4, Taxes, the contract price includes all applicable Federal, State and local taxes

Why order through *GSA Advantage!*

- Step-by-step ordering guide available
- Multiple ways to evaluate vendors, products, and pricing
- Filters to limit results to green items, small business vendors, toner, and AbilityOne products
