

FEDERAL ACQUISITION CERTIFICATION – CONTRACTING

FAC-C PREREQUISITES

Workforce members taking a classroom-based CON course directly from DAU must meet all DAU prerequisites.

DAU prerequisites can be found in the online DAU iCatalog under CON Training Courses:

<http://icatalog.dau.mil/onlinecatalog/tabnav.aspx?tab=CON>

3/17/2016

Notes:

1. The FAC-C and DAWIA prerequisites for this course are different. The prerequisites on this chart are for course offerings that include "(FED)" to the left of the course identifier.
2. Workforce members taking CON 170, CON 270, CON 280, CON 290, or CON 370 for continuous learning purposes are responsible for ensuring they (a) have reviewed the learning objectives for the course, and, (b) have the required knowledge, skills and abilities to successfully perform in the class.
3. The identifier "(FED)" following a course code denotes a course that is specifically for the non-DOD contracting workforce.
