2015 Acquisition and Small Business Excellence Award Nominations

As part of the efforts to recognize acquisition professionals who contribute to outstanding improvements in acquisition throughout the federal government, the Chief Acquisition Officers Council (CAOC) is seeking nominations for the 2015 Acquisition Excellence and Small Business Excellence Awards. Nominations are being solicited for Federal employees engaged in team or individual activities that led to excellent results in any of the following five acquisition categories in FY 2014:

Acquisition Excellence Award

An award will be given to both an individual and a team.

Category #1 – Agile Software Acquisition: Changed a waterfall approach into an agile approach for a software acquisition that demonstrated active user involvement, risk management, cost controls, and incremental releases. Customers have demonstrated satisfaction with the evolving product.

Category #2 – Innovation: Developed an innovative solution for acquisition. This innovative solution can be in any acquisition area, such as developing a challenge to obtain an innovative solution to a requirement, developing an innovative acquisition process to get the best solution, utilizing strategies from the TechFAR handbook or the Digital Services Playbook that resulted in an innovative solution, or developing innovation in acquisition training for the workforce, among others.

Category #3 – Program Management: Demonstrated programmatic excellence and success in applying resources and innovative processes to deliver capabilities. The program should have used innovative methods to manage risk successfully.

Small Business Excellence Award

An award will be given either to an individual or a team.

Category #1 – Effective Collaboration: Individuals or teams engaged in collaboration between their Office of Small and Disadvantaged Business Utilization (OSDBU), the program management office, and the contracting officer/specialist that led to awards that were successful from both a small business and an acquisition perspective in FY2014.

Category #2 – Maximize Opportunity: Individuals or teams that maximized opportunities for small business under the simplified acquisition threshold and/or increased small business utilization under multiple award contracts by using the authority to set-aside orders (see FAR 19.502-4).

Nomination packages will be evaluated against the following criteria:

- **Criterion #1 – Results:** The team or individual demonstrated results that exceeded original expectations.
- **Criterion #2 – Impact:** The impact of the effort was substantial and provided significant value to the agency and/or other beneficiaries.

Nominations will be accepted through January 20, 2015. Nominations will be judged using a two-step process:

- **Step 1:** The initial nominations will be judged by either a panel of senior acquisition professionals (Acquisition Excellence Award) or a panel of senior small business professionals (Small Business Excellence Award).
- **Step 2:** You will be contacted if your submission is selected as one of the top 3 individual or team submissions and asked to provide more detailed information on the nomination for the Senior Procurement Executive (SPE) / Office of Small and Disadvantaged Business Utilization (OSDBU) Director judges who will select the winners.

The awards will be presented at the "Acquisition Excellence 2015" in Washington, D.C., in March 2015.
