OMB – “Max Synergy”

(Notes from SPE Call 3-28-2013)

- An intern spoke to a new “[MAX Synergy initiative](#) – whereby OMB Max will provide a platform to post effective and efficient Acquisition Solutions, OFPP best practices, etc. across the Government.
- OMB Max is undergoing system enhancements to accommodate posting acquisition solutions. For instance, points of contact, winners from government and industry for prior acquisition awards will be included in this posting, agency best practices, etc.
- The idea is that it will be a place where anyone can upload useful information for others to benefit from.
