

FEDERAL ACQUISITION INSTITUTE

How to Buy Green

Brennan Conaway, GSA

2013, July 17

Donna M. Jenkins, *Director*
www.fai.gov

Agenda

- Overview of federal green purchasing
- Demo of GSA's Green Procurement Compilation
- Tips for buying green on GSAAdvantage!®

Why Buy Green Products and Services?

- Supports your agency's mission
 - Energy-efficiency
 - Water-efficiency
 - Reduced pollution
 - Reduced greenhouse gas emissions
 - Opportunities for life cycle cost savings
- Federal buying power can drive markets
 - When we ask for green products and services, it often gets built or developed
 - When we buy green products and services, global markets shift to green

Green Purchasing Requirements

- EO 13514
